	WORKROOM/STAFF	107 LF	170 LF	166 LF
	TOTAL BRANCH	1,789 LF*	2,102 LF	2,270 LF

*These figures for "current shelving" are new numbers that replace the ones that appeared in earlier plans. The numbers in previous plans were rough projections based on the floor plan that were used by the architects during the early design phase. These new figures above reflect the actual counts of linear footage from hand measurement.
